

Our Spirits Philosophy

Having started as a Wine Bar, we like things we can sip. We like drinks that are aged and continue to develop inside the bottle...ones with character that stand on their own. Ones you can compare side by side and appreciate what makes them the same and different all at once. And, of course, drinks that pair well with food because we believe well paired food only makes what you are drinking better.

Our Spirits Philosophy follows this course and leads us to Whiskey. As with wine, whiskey changes with age and picks up the flavors of the barrel. And like wine, the complex flavors in whiskey enhance the food on your plate. We have created our selection of Bourbon, Scotch and Rye in the same way we created our wine list...with a great deal of care, focusing on quality and diversity so that we can satisfy every palate in the house.

Feel free to ask your bartender or server for tasting flights of any of our whiskeys. You will find that we approach whiskey exactly the same way we approach wine. Explore and find what you like...and when you find what you like, don't stop there. Keep looking and keep exploring because you never know what surprise lies waiting for you.

Barrel Aged & Sour Beers

Beachwood Brewing / The Blendery, Huntington Beach Ca – Umebosi – Oak aged Sour with Plums and Sea Salt: 6.5% ABV - \$23

Lambic/Gose-inspired ale made with plums and Bamboo Jade Sea Salt. Bright stone fruit and their house funk dominate the aromatics followed by flavors of juicy plum and melon. There is a solid acidity all the way through, rounded out by the sea salt, and a finish reminiscent of sweet tarts.

Cellador Brewing, North Hills California – Le Con, Barrel Aged Wild Ale with Blenheim Apricots: 7.3% ABV – \$19

Belgian inspired aged hop base combined with tons of amazing Blenheim apricots from Cirone Farms. Aromatically this beer (especially this year's version!) is insane. Floral stone fruit wafts up and we assume it will blow your mind. This batch is slightly less sour than batches one & two with a medium acidity that is perfectly reminiscent of eating a fresh ripe apricot.

Urban Family Brewing, Seattle Washington – Solar Storm: 7% ABV - \$18

American style sour ale brewed with Raspberry & Lemon Zest. Aromas of fresh raspberry pair with bright lemon acidity in this well-balanced sour ale. Fruit forward with a refreshing finish.

Mikkeller Brewing, Denmark, - Spontancherry Frederiksdal 2020: 7.2%ABV – \$25

Sour Ale brewed with Fredriksdal Cherries & Aged in Oak Barrels. The lambic-style beer has notes of cherries, almonds and sour fruit! The new 2020 edition!

Upright Brewing, Portland , OR Ives FOUR: 6.5%ABV – \$16

This release blended three well aged casks showing lemon and spice notes that serve as a counterpoint to the other floral and fruity flavors, notably rose and green grape. Moderate acidity lingers through a medium finish on this always evolving beer.
