

Our Spirits Philosophy

Having started as a Wine Bar, we like things we can sip. We like drinks that are aged and continue to develop inside the bottle...ones with character that stand on their own. Ones you can compare side by side and appreciate what makes them the same and different all at once. And, of course, drinks that pair well with food because we believe well paired food only makes what you are drinking better.

Our Spirits Philosophy follows this course and leads us to Whiskey. As with wine, whiskey changes with age and picks up the flavors of the barrel. And like wine, the complex flavors in whiskey enhance the food on your plate. We have created our selection of Bourbon, Scotch and Rye in the same way we created our wine list...with a great deal of care, focusing on quality and diversity so that we can satisfy every palate in the house.

Feel free to ask your bartender or server for tasting flights of any of our whiskeys. You will find that we approach whiskey exactly the same way we approach wine. Explore and find what you like...and when you find what you like, don't stop there. Keep looking and keep exploring because you never know what surprise lies waiting for you.

Barrel Aged & Sour Beers

Upright Brewing, Portland , OR Ives FOUR: 6.5%ABV – \$16

This release blended three well aged casks showing lemon and spice notes that serve as a counterpoint to the other floral and fruity flavors, notably rose and green grape. Moderate acidity lingers through a medium finish on this always evolving beer.

Russian River, Santa Rosa , CA – Consecration, Sour aged in Cab Barrels with currants: 10%ABV – \$16

Dark aged in Cabernet Sauvignon Barrels from local wineries. It is aged 4 to 8 month with black currants, brettanomyces, lactobacillus, and pediococcus added to each barrel. Rich flavors of chocolate truffle, spice, tobacco, currants, and a bit of cabernet. Very full bodied, sip slowly!

Cellador Brewing, North Hills CA – Slide Down My Cellar Door: 7%ABV \$18

Barrel Aged Sour with Masumoto Gold Dust Peaches. This Sour bursts with that iconic juicy flavor that is unique to the Masumoto farm. The intention with this beer is to capture and preserve the essence of being on the farm and biting into a freshly picked peach, so they use 2 pounds of fruit per gallon of beer, hand smashing peaches into barrels until they can't hold much more.

Grimm Brewing Collab w/ Homage Brewing, NY to LA - Saison Spritz 4%ABV \$21

Beginning with pomace from the redcurrants, nectarines, and blueberries used in one of our Gathering beers, we then added 600 lbs. of Long Island-grown sauvignon blanc white grapes for a semi-carbonic maceration. After one week of maceration we blended in an assortment of barrel aged saisons from our oak vault. The result is a layered nose of stone fruit, white wine, and Belgian yeast esters gives way to an ultra-clean and light sip, with a hint of tartness and a dry, gently tannic finish.

Beachwood Brewing / The Blendery, Huntington Beach Ca – Rose Splendor 8.3% \$ 23

Belgian-style sour ale with pinot grigio juice, candy snaps grapes, raspberries, and blueberries. This Sour is balanced, fruity and has a fantastic finish. The raspberries and blueberries give it its sour punch while the pinot grigio juice and candy snap grapes provide a refreshing body. The perfect sour for summer time in San Francisco!
