

### **Our Spirits Philosophy**

*Having started as a Wine Bar, we like things we can sip. We like drinks that are aged and continue to develop inside the bottle...ones with character that stand on their own. Ones you can compare side by side and appreciate what makes them the same and different all at once. And, of course, drinks that pair well with food because we believe well paired food only makes what you are drinking better.*

*Our Spirits Philosophy follows this course and leads us to Whiskey. As with wine, whiskey changes with age and picks up the flavors of the barrel. And like wine, the complex flavors in whiskey enhance the food on your plate. We have created our selection of Bourbon, Scotch and Rye in the same way we created our wine list...with a great deal of care, focusing on quality and diversity so that we can satisfy every palate in the house.*

*Feel free to ask your bartender or server for tasting flights of any of our whiskeys. You will find that we approach whiskey exactly the same way we approach wine. Explore and find what you like...and when you find what you like, don't stop there. Keep looking and keep exploring because you never know what surprise lies waiting for you.*

## Barrel Aged & Sour Beers

### **Gigantic Brewing, Portland , OR Marionberry Lemon Tart: 7.3% ABV – \$15**

Revel in the taste of lush Oregon marionberries - the most intense, rich and sweet blackberry. A true Oregon fruit, developed as a mix between the Chehalem and the Ollie berry, marionberries have a complex, rich and earthy flavor that is both sweet and tart. Enjoy fresh marionberries, refreshing tartness and subtle notes of vanilla

### **Cellador Brewing, North Hills , CA – Saison du Rosier: 7.25% ABV – \$18**

Description: Saison du Rosier is our flagship beer. This farmhouse ale is fermented in oak barrels like all our beers, and we're looking for the barrels to contribute flavor and complexity to the beer. Despite being bone-dry, Saison du Rosier has a velvety texture with notes of cereal grain and honey, candied lemon peel and white flowers. Saison du Rosier is our homage to Saison DuPont and other classic Belgian farmhouse beers.

### **Grimm Brewing Collab w/ Homage Brewing, NY to LA - Saison Spritz 4%ABV \$21**

Beginning with pomace from the redcurrants, nectarines, and blueberries used in one of our Gathering beers, we then added 600 lbs. of Long Island-grown sauvignon blanc white grapes for a semi-carbonic maceration. After one week of maceration we blended in an assortment of barrel aged saisons from our oak vault. The result is a layered nose of stone fruit, white wine, and Belgian yeast esters gives way to an ultra-clean and light sip, with a hint of tartness and a dry, gently tannic finish.

### **Beachwood Brewing / The Blendery, Huntington Beach Ca – Rose Splendor 8.3% \$ 23**

Belgian-style sour ale with pinot grigio juice, candy snaps grapes, raspberries, and blueberries. This Sour is balanced, fruity and has a fantastic finish. The raspberries and blueberries give it its sour punch while the pinot grigio juice and candy snap grapes provide a refreshing body. The perfect sour for summer time in San Francisco!

### **The Rare Barrel, Berkley, CA - Map of the Sun, Barrel Aged Golden Sour with Apricots - 7.7%abv \$20**

As apricots ripen in the orchard, these delicate, golden-orange fruits develop complex tartness and funky floral aroma. This Golden sour beer was conditioned on apricots in oak barrels, maximizing the rich jammy notes and velvety mouth expressed by the fruit. This beer celebrates the beginning of Summer highlighting all of the delightfully sour nuances of an apricot.
